

Scotland Golf

August 1-8, 2010

Experience the ultimate golf trip with fellow trudgers. This is what sobriety is all about. We'll stay just outside of Edinburgh at the Marriott Dalmahoy Resort, which happens to have two courses including one great James Braid layout. Each day the Sobriety Sports Tours bus will head out to one of Scotland's finest courses, with speakers and sobriety-related discussions en route to the course. Stroll the villages after we finish golfing each day. The good news is, we'll go to St. Andrews for two days AFTER the Old Course reopens following the Open Championship.
