

# Wimbledon

**All-England Club, Wimbledon UK**

**June 19-23, 2011**

This is the trip you always wanted to take but were afraid to try alone. For sure, strawberries and cream go well with sobriety. We'll have fellowship, speakers and discussions in the morning, then take the tube out to Southfields and on to tennis' most-hallowed grounds. Time for seeing all of London's most-famous sights is factored in, as well. And yes, for those who wish, London has almost as many meetings as it has pubs.
